

1655 Fairfield Rd
Yardley, PA 19067

January 16, 2018

To whom it may concern:

Act 40 was intended to stop out Pennsylvania residents from subsidizing out of state solar projects and to boost in state solar projects.

The PUC's interpretation to grandfather out of state solar projects renders the law useless.

As a commission, don't take the power away from our elected representatives. Please interpret the law as it was intended and keep the borders closed.

Respectfully submitted.
